

IMAGINE...

reducing redundant processes
to save DoD employees time
and effort.

That is Common Sense.
That is BMMP.

BMMP is leading DoD business transformation one process at a time. Among thousands of systems and processes used throughout the Department, BMMP is creating solutions to achieve excellence... pioneering a new level of effectiveness... and improving efficiency in business and financial systems.

Excellence...Effectiveness...Efficiency. Why BMMP?
Because a world-class military deserves world-class
business operations.
